## Human-Animal Interaction Bulletin

The Human-Animal Interaction Bulletin publishes peer-reviewed innovative, high-quality research articles including empirical and evidence-based methods (e.g., clinical, experimental and applied research), quantitative/empirical work, small sample size & single subject investigations, epidemiologic, and qualitative and descriptive investigations.

Contributions are encouraged from the broad spectrum of investigative techniques utilized by the social sciences and humanities.

- **No publication costs to authors**
- **Rapid turn-around time**
- **Open access format with universal access to online articles for free**
